To  
The Registrar  
University of Calicut

Sub:- Violation of the Govt. direction in the appointment of Graphic Designer on contract basis - Reg.

Ref:- Notification No. 56342/AD-REC-ASST-3/2021/Admn dated 01.02.2002

Sir,

It came to our notice that the university is recruiting a Graphic Designer on contract basis, a post which is not included in Calicut University First Ordinance, 1978. Many a time the govt. have instructed that the university should obtain prior permission from the govt. for engaging contract employees to posts not included in the Calicut University First Ordinance. But, the university has not obtained permission from the govt. for this recruitment. Moreover, the govt. have clearly directed the university many times that the selection for temporary staff is to be through employment exchanges/employability centre.

Why the university surpasses the procedures gives enough reasons to believe that this move is to appoint some identified persons. This can be seen as a similar move by which the university authorities and officers tried to recruit their kith and kin by a decision to appoint temporary employees at Pareeksha Bhavan, which was blocked due to the interim orders of the Hon'ble High Court of Kerala. We remind the Statutory Officers that they will be personally responsible for the financial misappropriation due these types of illegal appointments.

Hence we urge you to withdraw from this impermissible act.

Thanking you,

Yours Faithfully  
Babu KP (sd)  
President
